We believe that, with a strong financial strength, highly qualified staff, and an organizational system that adheres to the best quality management system processes, Bach Tung will continue to please its customers, partners in the coming time.

On behalf of the Board of Management and the Board of Directors,

Respectfully,

General Director

Trương Vĩnh Phúc

About Us

Bach Tung Joint Stock Company was established in 1998. Through 20 years of establishment and development, the company is one of the leading enterprises specializing in manufacturing and supplying rubber conveyor belt, PVC, equipment, along with the best services, for the industry at home and abroad.

With years of experience in supplying and maintaining conveyor systems, machinery and equipment for the mining industry, our company is proud to provide our customers with highly qualified technicians, professional trainings in Japan, long experience in the maintenance and installation of conveyor belts, and enthusiastic and friendly customer service.

By the motto: «Quality products, reasonable cost», in the coming years, the company will continue to explore and improve the quality of products with modern machinery and equipment to create products. Good price with the most competitive. At the same time, to promote the development of practical services closely linked with products to bring the best choice for customers.

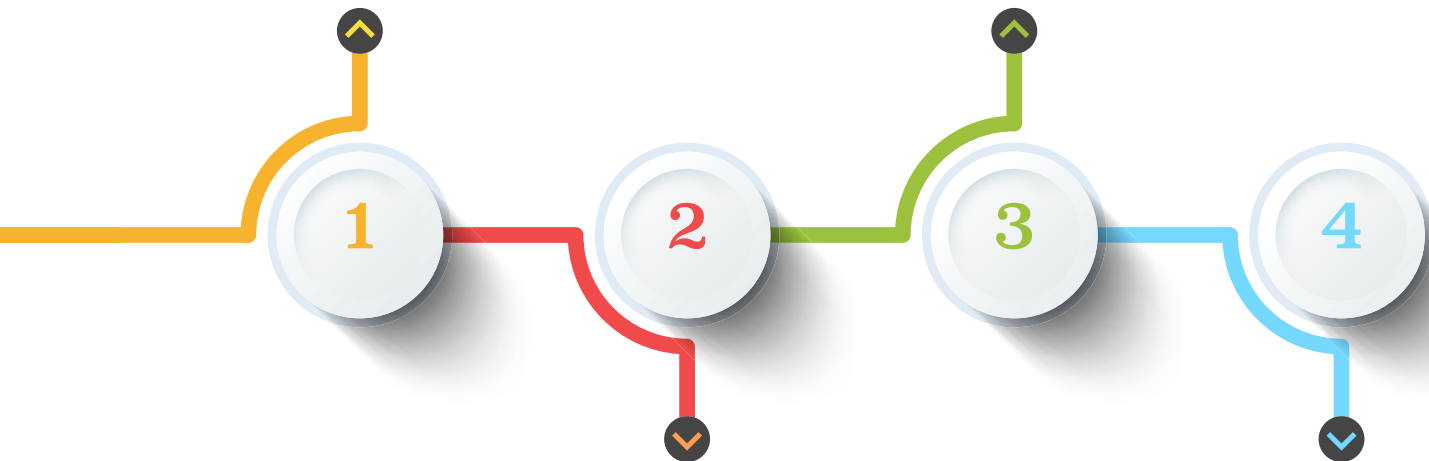

In order to ensure the profit of business is used most effectively, in addition to continuous investment in expanding the scale of technical facilities, improving the quality of life for employees, the company also frequently participate in charitable activities, this is a regular and indispensable activities in the business culture of Bach Tung. Each year, the company supports thousands of tons of rice to the unlucky ones through the Red Cross Association of An Phu Ward - Thuan An District - Binh Duong Province and the Charity Association of Lai Thieu Church in Binh Duong - Lai Thieu Ward - Binh Duong Province, the charity kitchen in Cancer Hospital - No Trang Long Road, charity kitchen for Children's Hospital 2 - HCMC. In addition to supporting rice for the underprivileged, we also provide support to each child with cancer at the cancer hospital, and the orphanage and handicap Thien Phuoc - Cu Chi, AIDS Organization Mai Hoa - Cu Chi. Retirement Family Relief Institute - Le Loi Street, Bao Loc District. We are proud to be able to contribute a small part of our strength, bringing smiles to organizations and individuals need help from the community.
